## EXPERIENCE

**Web Developer | Remote**

Freelance | Present

→ I can make web pages from scratch with the most popular frontend technologies and best practices, like SASS, ReactJS, and NextJS. I am also familiar with backend development using NodeJS, PHP, Python, SQL, and NoSQL databases.

**Telecom | Barcelona**

INSMATEC2021 | 06/2021 - 12/2021

→ I joined a small team where we learned how to install, repair, and manage the troubleshooting of fiber optics for telecom services on the railways.

**Electrician/Warehouse | Alicante**

ORMAZABAL | 04/2019 - 10/2019

→ I was in charge of keeping an inventory of the merchandise entering or exiting the warehouse, and also installing data collection equipment and electrical wiring in power distribution centers.

## EDUCATION

Electrotechnical and Automated Systems (professional formation)  
Cavanilles, I.E.S. | 2016 - 2019

Cybersecurity (certification)

F.E.M.P.A | 2021-2021 | (500 hours)

Software Development

Self-taught | 2021 - present
