EXPERIENCE

Web Developer

Freelance | Present

→ I have trained and made web pages with frontend technologies such as CSS/SASS, JavaScript, Reactjs/Nextjs and some backend with Nodejs, Python, PHP, SQL and MongoDB.

Telecom | Barcelona

INSMATEC2021 | 06/2021 - 12/2021

→ I joined a small team where we learned how to install, repair, and manage the troubleshooting of fiber optics for telecom services on the railways.

Electrician/Warehouse | Alicante

ORMAZABAL | 04/2019 - 10/2019

→ I was in charge of keeping an inventory of the merchandise entering or exiting the warehouse, and also installing data collection equipment and electrical wiring in power distribution centers.

EDUCATION

Electrotechnical and Automated Systems (professional formation) Cavanilles, I.E.S. | 2016 - 2019

Cybersecurity (certification)

F.E.M.P.A | 2021-2021 | (500 hours)

Software Development

Self-taught | 2021 - present
